• 97% - People care about each other here

When I was 5 years old,
my mom always told me
that happiness was the
key to life. When I went
to school, they asked me
what I wanted to be when
I grew up. I wrote down
"happy".

They told me I didn't
understand the
assignment and I told
them they didn't
understand life.

-John Lennon

I want to be
